

## Make a Pinocchio puppet with Stuff and Nonsense

### What you will need...

Newspaper – 1 sheet  
Masking tape  
Twine or cord – approx. 1 metre  
Paper straws x 2  
Yogurt pot for body  
Thin card for hat – an old cereal box would be ideal  
A cork or a drinks bottle spout for the nose  
2 large buttons for feet, these also act as weights for the legs  
1 feather for the hat  
A cotton reel or a cork for the neck  
UHU or PVA glue  
Pens, paints or coloured crayons  
Scissors

Many of the above items can be found around the house and recycled.  
We would encourage you to use found items rather than buying new.

We hope you have a brilliant time making your puppet, making more puppets in the future and creating some inventive stories and fibs to share!

We'd love to see what you create, if you'd like to share any photos or films with us please do so using the social media links below. Let your friends know about us, and maybe try one of our other 'How to' videos: making a different puppet or a Catchy Song. Enjoy!
