

The
MAM
Who Wanted to be a
PENGUIN

Make a Penguin Puppet

Stuff you need:

- Newspaper
- Masking tape
- Thin card
- Yoghurt pot
- Scissors
- Glue stick or UHU
- Googly/wiggly eyes
- Black card, fabric or felt
- Bamboo stick or short stick from the garden (approx. 15cm)
- Paints & paintbrushes or felt tip pens (black and orange)

Many of the above items can be found around the house and recycled. We would encourage you to use found items rather than buying new.

We hope you have a brilliant time making your puppet, making more puppets in the future and creating a magical icy world for you all to play in together!

We'd love to see what you create, if you'd like to share any photos or films with us please do so using the social media links below.
